Appendix 3: Adjustments to Oil & Gas Sub-sector

Appendix 3.1. Extractive company adjustments

The adjustments were carried out on the basis of confirmations from extractive companies and Government Agencies and were supported by adequate evidence wherever deemed appropriate. The adjustments made are detailed as follows:

Adjustments to extractive company payments	Total Amount (in MMK)
Tax reported but not paid	(45,594,757,053)
Tax paid reported but outside the period covered	(8,093,445,430)
Tax paid not reported	7,777,689,452
Tax amount incorrectly reported	4,631,522,728
Tax paid reported but outside the reconciliation scope	(919,730,871)
Total added to amounts originally reported	(42,198,721,174)

(a) Tax reported but not paid

Companies reported payments amounting to MMK 45,594,757,053 related to Income Tax and Training Fund. However, during the reconciliation work they stated that this payment was not made. Accordingly, we adjusted their reporting template. We set out in the table below a summary of the adjustments made by company

Adjustments to Oil & Gas Companies	Total Amount (in MMK)	Income Tax (IT)	Training Fund
Petronas Carigali Hong Kong Ltd (PCML)	(45,345,942,012)	(45,246,415,996)	(99,526,016)
Daewoo International Corporation	(149,289,024)	-	(149,289,024)
TOTAL	(99,526,016)	-	(99,526,016)
Total Training Funds adjusted	(45,594,757,053)	(45,246,415,996)	(348,341,057)

(b) Taxes paid reported but outside the period covered by the EITI Report

These are payments reported, but which fall outside the reconciliation period, i.e. before 1 April 2014 or after 31 March 2015. The amount adjusted was related to Royalties final payment made by Petronas Carigali Hong Kong Ltd (PCML). According to the company confirmation, the amount reported was adjusted.

(c) Tax paid not reported

Corresponds mainly to payments of 2014-2015 amounting to MMK 7,777,689,452 made by companies and not reported in their reporting templates. The amount was confirmed with the companies before adjustment. The detail by tax and by company is set out in the table below:

Company	Royalties	Production Bonus
Petronas Carigali Hong Kong Ltd (PCML)	6,758,889,452	-
PTTEP International Ltd.	-	1,018,800,000
Total	6,758,889,452	1,018,800,000

(d) Tax amount incorrectly reported

These adjustments correspond to tax payments incorrectly reported by companies. Accordingly, we corrected their reporting and added the payments made by them. We set out in the table below a summary of the adjustments made by tax:

Adjustments to extractive company payments	Total Amount (in MMK)	MOGE share (Profit and Cost-G&O sales)	Production Split (State share-Gas&Oil sales)	Royalties
Daewoo International Corporation	49,446,924,958	127,449,283,212	(92,551,488,245)	14,549,129,991
PTTEP International Ltd.	(44,815,402,230)	(16,061,791,808)	(17,847,353,484)	(10,906,256,938)
Total added to amounts originally reported	4,631,522,728	111,387,491,404	(110,398,841,730)	3,642,873,053

(e) Taxes reported but outside the reconciliation scope

Corresponds mainly to Other material payments (> 50,000 USD) amounting to MMK 919,730,871 reported by Total.

Appendix 3.2. Adjustments to Government Entity templates

The adjustments were carried out on the basis of confirmations received from extractive companies or from Government Agencies and supported by payment receipts wherever deemed appropriate. These adjustments are detailed as follows:

Adjustments to Government Entity payments	Total Amount (in MMK)
Tax amount incorrectly reported	582,684,542,079
Tax received not confirmed	43,539,052,294
Tax reported but not received	(920,995,418)
Total added to amounts originally reported	625,302,598,954

(a) Tax amount incorrectly reported

These adjustments correspond to tax payments incorrectly reported by the Government Agencies. Accordingly, we corrected their reporting and added the payments made by them. We set out in the table below a summary of the adjustments made by tax:

Adjustments to extractive company payments	Total Amount (in MMK)	Production Split (State share-Gas&Oil sales)	MOGE share (Profit and Cost-G&O sales)	Royalties	Income Tax (IT)
TOTAL	397,098,713,527	397,098,713,527	-	-	-
PTTEP International Ltd.	139,838,601,645	55,425,183,657	50,306,827,019	34,106,590,970	-
Daewoo International Corporation	49,446,924,958	49,446,924,958	-	-	-
Petronas Carigali Hong Kong	(3,699,698,052)	-	-	-	(3,699,698,052)
Total added to amounts originally reported	582,684,542,079	501,970,822,142	50,306,827,019	34,106,590,970	(3,699,698,052)

(b) Taxes received not confirmed

These are payment flows reported by extractive companies, but which were not reported by Government Agencies. We set out in the table below a summary of the adjustments made to Government Agencies' initial reporting:

Adjustments to extractive company payments	Total Amount (in MMK)	Income Tax (IT)	Withholding tax	Stamp Duties	Commercial Tax on Imports	Customs Duties on imports
PTTEP International Ltd.	43,481,857,987	29,460,873,972	13,924,284,016	96,700,000	-	-
TOTAL	57,194,306	-	-	-	55,271,995	1,922,312
Total added to amounts originally reported	43,539,052,294	29,460,873,972	13,924,284,016	96,700,000	55,271,995	1,922,312

The adjustment related to the withholding tax PTTEPI is explained by the fact that this withholding is paid by PTTEPI as tax agent on behalf of its suppliers and sub-contractors. IRD did not maintain in its record the identity of the company that paid this withholding tax and can not therefore confirm that this amount was paid by PTTEPI. The payment receipt (challan) mention only the name of the supplier or sub-contractor and do not include the name of the company that withheld and paid the tax to IRD.

Therefore, the copies of the receipts were obtained from PTTEPI and communicated to IRD for confirmation. We note that IRD confirmed that the amounts were received during 2014-2015 but can not confirm that there were paid by PTTEPI.

(c) Taxes reported bu not received

Corresponds mainly to Withholding tax amounting MMK 72,899,496 declared received from PTTEP International Ltd.

Appendix 4: Adjustments to Gems & Jade Sub-sector

Appendix 4.1. Extractive company adjustments

The adjustments were carried out on the basis of confirmations from extractive companies and Government Agencies and were supported by adequate evidence wherever deemed appropriate. The adjustments made are detailed as follows:

Other Mining Companies Payments

a. Payment flows in kind

N°	Payment flows	Definition
Payments to MoM		
1	Production Split	Production is shared between the parties. The percentage of the SOE and the percentage of each partner are mentioned in the PSC. The Ministry of Mines share can be increased if production increases.
2	Royalties	Royalties are paid by a mining licence holder to SOE on the sales value of all products extracted. Royalties for Mining Projects are: -Precious metallic minerals from 5% to 7.5% -Iron, copper, zinc, lead, etc. from 3% to 4%; and -Gold, silver, platinum from 4% to 5%.

b. Payment flows in cash

N°	Payment flows	Definition
Payments to IRD and Custom Department		
1	Corporate Income Tax (CIT)	An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%. A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.
2	Commercial Tax	A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods. Commercial tax is levied at 5% on goods other than exempted goods. Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.
3	Commercial Tax on imports	Commercial Tax on imports of goods, equipments...and paid to Customs Department
4	Customs Duties	Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly. Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported. For exports of goods, export duty is levied on certain commodities.
5	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
6	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles

7	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.
8	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.

Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly.

14	Customs Duties	Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported. For exports of goods, export duty is levied on certain commodities.
15	Royalties on Sales	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
16	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.

Central Committee (MONREC)

17	Emporium Fees / Sale Fees	These fees are payable by the participants at the Gems and Jade Emporium.
----	---------------------------	---

States/Regions

18	Contribution to the State/region social development fund	It is the amount of the annual contribution made by the companies to the State/region social development fund
----	--	---

c. Quasi-fiscal expenditures

N°	Payment flows	Definition
	Quasi-fiscal expenditures	Amount of the major transactions carried out by SOEs to perform a governmental role outside the core function of an oil, gas or mining company (Social services, public infrastructure, fuel subsidies and national debt servicing).

a. Payments in Kind

N°	Payment flows	Definition
Payments to MOGE		
1	State production entitlement	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced.
2	MOGE production entitlement	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
3	Royalties	Royalties are charged at percentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
4	Baseline payment	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
5	Risk compensation	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
6	Payment out of production (-)	The reimbursement of the undivided interest by MOGE in the total of the rights and obligations can be made in kind or "Payment out of Production" of fifty percent (50%) of MOGE'S production entitlement under the Contract valued commencing as from the beginning of Commercial Production.

b. Payments in cash

N°	Payment flows	Definition
Payments to IRD and Custom Department		
7	Corporate Income Tax (CIT)	An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%. A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.
8	Commercial Tax	A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods.

		Commercial tax is levied at 5% on goods other than exempted goods.
		Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.
9	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
10	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles
11	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.

1	State production entitlement	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced.
2	MOGE production entitlement	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
3	Royalties	Royalties are charged at percentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
4	Baseline payment	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
5	Risk compensation	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
6	Payment out of production (-)	The reimbursement of the undivided interest by MOGE in the total of the rights and obligations can be made in kind or "Payment out of Production" of fifty percent (50%) of MOGE'S production entitlement under the Contract valued commencing as from the beginning of Commercial Production.

b. Payments in cash

N°	Payment flows	Definition
Payments to IRD and Custom Department		
7	Corporate Income Tax (CIT)	An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%. A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.
8	Commercial Tax	A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods.

		Commercial tax is levied at 5% on goods other than exempted goods.
		Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.
9	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
10	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles
11	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.
12	Commercial Tax in imports	Commercial tax on the imports of goods or equipments
		Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly.
13	Customs Duties on imports	Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported.
14	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.

a. Payments in Kind

N°	Payment flows	Definition
Payments to MOGE		
1	State production entitlement	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced.
2	MOGE production entitlement	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
3	Royalties	Royalties are charged at percentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
4	Baseline payment	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
5	Risk compensation	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
6	Payment out of production (-)	The reimbursement of the undivided interest by MOGE in the total of the rights and obligations can be made in kind or "Payment out of Production" of fifty percent (50%) of MOGE'S production entitlement under the Contract valued commencing as from the beginning of Commercial Production.

b. Payments in cash

N°	Payment flows	Definition
Payments to IRD and Custom Department		
7	Corporate Income Tax (CIT)	An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%. A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.
8	Commercial Tax	A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods.

		Commercial tax is levied at 5% on goods other than exempted goods.
		Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.
9	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
10	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles
11	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.
12	Commercial Tax in imports	Commercial tax on the imports of goods or equipments
		Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly.
13	Customs Duties on imports	Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported.
14	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.
Payments to Ministry of Energy/MOGE		
15	Signature Bonus	Bonus paid upon conclusion of a (Production Sharing Contract (PSC). The amount of the Signature Bonus is specified in the PSC.
16	Royalties	Royalties are charged at pourcentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
17	Production Split (State share)	It is the State entitelment on the Profit Oil/Gas of the Oil and Gas produced. Production of petroleum net of cost is shared between the PSC parties, based on a progressive sliding scale linked to average daily production levels from the production area. The rates are distinct for oil and for natural gases.

18	Production Bonus	The model PSC provides for production bonuses payable following commercial discovery and thereafter at defined production rates. The production bonus is a progressive per rate of production – US\$0.5 million to US\$6.0 million for onshore blocks, and US\$1 million to US\$10 million for offshore blocks.
19	MOGE share (Profit and Cost)	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
20	Dividend	This is the distribution of profits in proportion to the number of shares held directly in the Extractive Company.
21	Training Fund	A training contribution is payable annually by concession holders. Different annual payments apply during the exploration and production periods. The payments to the training fund are not transferred to MOGE, they are held by the extractive companies and managed by a monitoring committee of which MOGE is a member.
22	Research and Development Fund	Contractors should pay an annual contribution to a Research and Development (R&D) Fund from the start of production. The contribution equals 0.5% of contractor's share of profit production.
23	Domestic Market Obligation (DMO)	The Contractor's obligatory share of the domestic market obligation will be in the proportion that the Contractor's entitlement to crude oil and gas to all crude oil and gas produced in Myanmar, up to 20% of the crude oil allocated to the Contractor. The difference between the Market price and the sales price should be reported under this line
24	Data fee	Data fee is levied by MOGE on offshore blocks. It is payable within 30 days after the PSC signature.
25	Land fees/Dead rent fee	Land fees is payable to the Ministry of Environmental Conservation and Forestry. The amount of the land rent is specified by the PSC.
26	Dividend/Profit Sharing on Oil & Gas transportation	Profit share or dividend paid to MOGE by O&G transportation companies
27	Transit fees on Oil & Gas transportation	Transit fees paid to MOGE based on volume transported and the unit price agreed in the contract
28	Road right fee Oil & Gas transportation (Right of way)	Fees paid to MOGE on the basis on the contract negotiation
29	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.

a. Payments in Kind

N°	Payment flows	Definition
Payments to MOGE		
1	State production entitlement	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced.
2	MOGE production entitlement	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
3	Royalties	Royalties are charged at percentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
4	Baseline payment	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
5	Risk compensation	In-kind payment made by Oil & Gas onshore companies to MOGE. The amount and modalities of this payment are detailed in the PCC (Performance Compensation Contracts) and IPR (Improved Petroleum Recovery Contract)..
6	Payment out of production (-)	The reimbursement of the undivided interest by MOGE in the total of the rights and obligations can be made in kind or "Payment out of Production" of fifty percent (50%) of MOGE'S production entitlement under the Contract valued commencing as from the beginning of Commercial Production.

b. Payments in cash

N°	Payment flows	Definition
Payments to IRD and Custom Department		
7	Corporate Income Tax (CIT)	An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%. A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.
8	Commercial Tax	A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods.

		Commercial tax is levied at 5% on goods other than exempted goods.
		Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.
9	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
10	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles
11	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.
12	Commercial Tax in imports	Commercial tax on the imports of goods or equipments
		Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly.
13	Customs Duties on imports	Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported.
14	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.
Payments to Ministry of Energy/MOGE		
15	Signature Bonus	Bonus paid upon conclusion of a (Production Sharing Contract (PSC). The amount of the Signature Bonus is specified in the PSC.
16	Royalties	Royalties are charged at percentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
17	Production Split (State share)	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced. Production of petroleum net of cost is shared between the PSC parties, based on a progressive sliding scale linked to average daily production levels from the production area. The rates are distinct for oil and for natural gases.

18	Production Bonus	The model PSC provides for production bonuses payable following commercial discovery and thereafter at defined production rates. The production bonus is a progressive per rate of production – US\$0.5 million to US\$6.0 million for onshore blocks, and US\$1 million to US\$10 million for offshore blocks.
19	MOGE share (Profit and Cost)	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
20	Dividend	This is the distribution of profits in proportion to the number of shares held directly in the Extractive Company.
21	Training Fund	A training contribution is payable annually by concession holders. Different annual payments apply during the exploration and production periods. The payments to the training fund are not transferred to MOGE, they are held by the extractive companies and managed by a monitoring committee of which MOGE is a member.
22	Research and Development Fund	Contractors should pay an annual contribution to a Research and Development (R&D) Fund from the start of production. The contribution equals 0.5% of contractor's share of profit production.
23	Domestic Market Obligation (DMO)	The Contractor's obligatory share of the domestic market obligation will be in the proportion that the Contractor's entitlement to crude oil and gas to all crude oil and gas produced in Myanmar, up to 20% of the crude oil allocated to the Contractor. The difference between the Market price and the sales price should be reported under this line
24	Data fee	Data fee is levied by MOGE on offshore blocks. It is payable within 30 days after the PSC signature.
25	Land fees/Dead rent fee	Land fees is payable to the Ministry of Environmental Conservation and Forestry. The amount of the land rent is specified by the PSC.
26	Dividend/Profit Sharing on Oil & Gas transportation	Profit share or dividend paid to MOGE by O&G transportation companies
27	Transit fees on Oil & Gas transportation	Transit fees paid to MOGE based on volume transported and the unit price agreed in the contract
28	Road right fee Oil & Gas transportation (Right of way)	Fees paid to MOGE on the basis on the contract negotiation
29	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.

Template Beneficial ownership declaration form
Period covered: 1 April 2014 to 31 March 2015

In accordance with the EITI Standard, Requirement 2.i5.f.i, "a beneficial owner in respect of a company means the natural person(s) who directly or indirectly ultimately owns or controls the corporate entity". Further to Requirement 2.5.f.ii and in accordance with the decision of the MSG, a beneficial owner is defined as:

A beneficial owner is a natural person(s) who, directly or indirectly, ultimately owns or controls a public or private company or corporate entity. A person is automatically considered to be a beneficial owner if they own or control 5% or more of the public or private company or corporate entity.

- The individual holds, directly or indirectly, 5% and above of the shares in the public or private company or corporate entity.
- The individual holds, directly or indirectly, 5% and above of the voting rights in the public or private company or corporate entity. Voting rights held by the public or private company or corporate entity, itself are disregarded for this purpose.
- The individual holds, directly or indirectly, the voting rights in the public or private company or corporate entity. Voting rights held by the public or private company or corporate entity, itself are disregarded for this purpose.
- The individual holds the right, directly or indirectly, to appoint or remove a majority of the board of directors of the public or private company or corporate entity.
- The individual has the right to exercise, or actually exercises, significant influence or control over the public or private company or corporate entity

Reference to "ultimately owns or controls" refer to situations in which ownership/control is exercised through a chain of ownership or by means of control other than direct control. This definition should also apply to a beneficiary under a life or other investment."

In accordance with this beneficial ownership definition, as per 31 March 2015 the beneficial owner/s of the company are:

7	Corporate Income Tax (CIT)	<p>An enterprise registered under the Myanmar Companies Act, an entity registered under the Myanmar Foreign Investment Law (MFIL) and a registered Myanmar branch of a foreign entity which enjoys incentives under MFIL are subject to income tax at 25%.</p> <p>A registered Myanmar branch of a foreign entity does not enjoy incentives under MFIL, and other non-resident entities, are subject to income tax at the higher rate of 35%.</p>
8	Commercial Tax	<p>A commercial tax is levied on the sales of goods and services and applies to certain transactions as defined in the Commercial Tax Law. Commercial tax is applied to the gross sales of goods and services. For imported goods, commercial tax is calculated via the "cost, insurance and freight" (CIF) value of goods.</p> <p>Commercial tax is levied at 5% on goods other than exempted goods.</p> <p>Commercial tax is not applicable for exports, except in the case of natural gas, crude oil, jade, gemstones and timber.</p>
9	Stamp Duties	Stamp duty applies to a number of transactions. The Myanmar Stamp Act defines the rules to implement Stamp Duties for various types of instruments payable in Kyats and in other currencies.
10	Capital Gains Tax	The sale or transfer of capital assets are levied for income tax purposes on gains calculated based on the difference between gross sales and the purchase cost of assets plus any additions less depreciation. Capital assets for income tax purposes are defined as lands, buildings, vehicles, or any other asset owned by an entity including shares, bonds and intangibles

11	Withholding tax	Withholding tax is a tax where any person or company making certain payments is required to deduct from such payments and remit to the Government Agencies. The payments that attract WHT include management and consultant fees, commissions, rent dividends and payments to non-resident contractors.
12	Commercial Tax in imports	Commercial tax on the imports of goods or equipments
13	Customs Duties on imports	Goods imported in Myanmar are subject to Customs Duties on importation and are required to be declared to the Myanmar Customs Department accordingly. Currently, the Customs Duties levied on the import of machinery, spare parts, and inputs generally range from 0% to 40% of the value of the goods imported.
14	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.
Payments to Ministry of Energy/MOGE		
15	Signature Bonus	Bonus paid upon conclusion of a (Production Sharing Contract (PSC). The amount of the Signature Bonus is specified in the PSC.
16	Royalties	Royalties are charged at pourcentage (mentioned in the PSC) of the value of production. The same rate applies for both oil and natural gas. Royalties in Myanmar could be paid in kind or in cash.
17	Production Split (State share)	It is the State entitlement on the Profit Oil/Gas of the Oil and Gas produced. Production of petroleum net of cost is shared between the PSC parties, based on a progressive sliding scale linked to average daily production levels from the production area. The rates are distinct for oil and for natural gases.
18	Production Bonus	The model PSC provides for production bonuses payable following commercial discovery and thereafter at defined production rates. The production bonus is a progressive per rate of production – US\$0.5 million to US\$6.0 million for onshore blocks, and US\$1 million to US\$10 million for offshore blocks.
19	MOGE share (Profit and Cost)	It is the MOGE entitlement on the Profit Oil/Gas and Cost Oil/Gas of the Oil and Gas produced. All three of the Standard PSCs used by the EPD contain state buy-in provisions. For onshore blocks, the standard PSC reserves a 15% undivided interest for MOGE, with the option for the state to increase their share up to a 25% undivided interest in the project. For offshore blocks, MOGE has the right to buy-in to the project up to 20% upon a commercial discovery (increasing to 25% if the reserves are greater than 5 TCF).
20	Dividend	This is the distribution of profits in proportion to the number of shares held directly in the Extractive Company.
21	Training Fund	A training contribution is payable annually by concession holders. Different annual payments apply during the exploration and production periods. The payments to the training fund are not transferred to MOGE, they are held by the extractive companies and managed by a monitoring committee of which MOGE is a member.
22	Research and Development Fund	Contractors should pay an annual contribution to a Research and Development (R&D) Fund from the start of production. The contribution equals 0.5% of contractor's share of profit production.

23	Domestic Market Obligation (DMO)	The Contractor's obligatory share of the domestic market obligation will be in the proportion that the Contractor's entitlement to crude oil and gas to all crude oil and gas produced in Myanmar, up to 20% of the crude oil allocated to the Contractor. The difference between the Market price and the sales price should be reported under this line
24	Data fee	Data fee is levied by MOGE on offshore blocks. It is payable within 30 days after the PSC signature.
25	Land fees/Dead rent fee	Land fees is payable to the Ministry of Environmental Conservation and Forestry. The amount of the land rent is specified by the PSC.
26	Dividend/Profit Sharing on Oil & Gas transportation	Profit share or dividend paid to MOGE by O&G transportation companies
27	Transit fees on Oil & Gas transportation	Transit fees paid to MOGE based on volume transported and the unit price agreed in the contract
28	Road right fee Oil & Gas transportation (Right of way)	Fees paid to MOGE on the basis on the contract negotiation
29	Other significant payments (> 50,000 USD)	To avoid omissions that may be considered significant, a line entitled "Other significant payments flows" has been included in the reporting template for extractive companies to report any significant payment including any payment flows which is not expected in the reporting template and which is above 50,000 USD.
