(d) Taxes paid reported but outside the period covered by the EITI Report

These are payments reported, but which fall outside the reconciliation period, i.e. before 1 April 2015 or after 31 March 2016. The amount adjusted was related to Income Tax (IT) final payment made by Petronas PTTEP International Ltd. According to the company confirmation, the amount reported was adjusted.

(e) Taxes reported but outside the reconciliation scope

Corresponds mainly to Other material payments (> 50,000 USD) amounting to MMK 618,482,681 reported by Total.

Appendix 3.2. Adjustments to Government Entity templates

The adjustments were carried out on the basis of confirmations received from extractive companies or from Government Entities and supported by payment receipts wherever deemed appropriate. These adjustments are detailed as follows:

Adjustments to Government Entity payments	Total Amount (in MMK)
Tax received not reported	403,512,311,758
Tax amount incorrectly reported	324,740,198,219
Tax reported but not received	(19,168,539,378)
Tax received on other identification number	(2,912,051,622)
Total added to amounts originally reported	706,171,918,978

(a) Taxes received not reported

These are payment flows reported by extractive companies, but which were not reported by Government Bodies. We set out in the table below a summary of the adjustments made to Government Bodies' initial reporting:

Adjustments to Government Entity payments	Total Amount (in MMK)	Production Split (State share-Gas&Oil sales)	Withholding tax	Stamp Duties	Commercial Tax on Imports
PTTEP International Ltd.	400,392,748,249	381,151,278,573	19,241,469,677	-	-

The adjustment related to the withholding tax PTTEPI is explained by the fact that this withholding is paid by PTTEPI as tax agent on behalf of its suppliers and sub-contractors. IRD did not maintain in its record the identity of the company that paid this withholding tax and can not therefore confirm that this amount was paid by PTTEPI. The payment receipt (challan) mention only the name of the supplier or sub-contractor and do not include the name of the company that withheld and paid the tax to IRD.

Therefore, the copies of the receipts were obtained from PTTEPI and communicated to IRD for confirmation. We note that IRD confirmed that the amounts were received during 2015-2016 but can not confirm that there were paid by PTTEPI.

(b) Tax amount incorrectly reported

These adjustments correspond to tax payments incorrectly reported by the Government Entities. Accordingly, we corrected their reporting and added the payments made by them. We set out in the table below a summary of the adjustments made by tax:

Adjustments to Government Entity payments	Total Amount (in MMK)	Production Split (State share-Gas&Oil sales)	MOGE share (Profit and Cost-G&O sales)	Royalties	Income Tax (IT)
Daewoo International Corporation	152,032,625,555	152,032,625,555	-	-	-

(c) Taxes reported but not received

These adjustments were made to the Government Entity reporting templates. During the reconciliation work they stated that this payment was not received. Accordingly, we adjusted the Income Tax (CIT) in Petronas Carigali Myanmar Inc (PCMI) reporting template for MMK (18,148,427,148). This is mainly explained by the fact that IRD included in its reported amount advances received during 2014-2015 for an amount of MMK (18,148,427,148).

(d) Tax received on other identification number

These adjustments were made to the Income Tax (IT) declared received by IRD from Daewoo International Corporation.
